Fondé en 2007, le label Plus Loin Music est distribué par la société Harmonia Mundi dans le monde depuis 2008.

Dès lors, Plus Loin Music ne cesse de diversifier ses activités : producteur et éditeur phonographique, éditeur musical, producteur de spectacles, la société intègre très vite une agence de concerts – Plus Loin Booking – à destination des artistes de son label et créé le festival « Jazz à l'Étage » à Rennes dont la première édition a eu lieu en mars 2010. Plus Loin Music, label de jazz incontournable sur le territoire, compte désormais parmi les grands acteurs européens dans ce domaine d'activité grâce à la qualité de son catalogue, son volume de ventes et son rayonnement médiatique.

Founded in 2007, the label Plus Loin Music is distributed worldwide by Harmonia Mundi since 2008.

From then on, Plus Loin Music has kept on widening the range of its activities. Beyond record production and music publishing as well as concert production, the company quickly incorporates a booking agency – Plus Loin Booking – for the label's artists, and creates the festival “Jazz à l'Étage” in Rennes (Brittany), the first edition of which was held in March 2010. Plus Loin Music, an incontrovertible jazz label in France is now one of the biggest European doers in this range of activity thanks to the quality of its catalogue, its sales volume and its wide media exposure.
